Kevin Chope—R5 Chairman
630 488 7115 krchope@comcast.net

After a very successful first year, the State Teams and Regional Clinic is back on the Region 5 calendar. This clinic is aimed at our high-performance compulsory gymnasts. All State Team competitors from the 2026 Regionals who are 12 and under for 2027 are encouraged to attend free of charge. Any other compulsory athletes can attend and test with a fee. The Regional testing will replace the old National Future Stars program. Testing details will be published shortly.

This is a great opportunity for any gymnast and coach who wants to get involved with the R5 Elite Program. The testing is designed to be “user friendly.” The main thing is to get involved and try. You don’t need to have everything.

At the conclusion of the Clinic we will name our Region 5 8-9 , 10-11, and 12 yo Developmental Squad.

Registration is via USAG Portal. Make sure your athlete and coach memberships are up to date.

Registration is now open, send check and roster to:
